

One Health

An Innovative Approach to Equitably Address Complex Health Problems

Call for Applications

UGHE's Center for One Health and Western University are excited to announce that applications for an online certificate in One Health are now open. This short course presents One Health as a novel framework through which health professionals, educators, leaders, policymakers and professionals from diverse backgrounds can equitably and ethically address complex health challenges.

Applications open until April 28, 2022

Course Dates: April 29, 2022 - June 29, 2022
