About :

Together with our partners, the London Cross Cultural Learner Centre will come together to mark World Refugee Day. Our event is in recognition of the plight of those affected by the pandemic, as well as, a look forward to the future of resettlement and integration. We want to reflect on our shared global responsibility in the response to the devastating forced displacement crisis around the world and on creating welcoming communities for us all to live in.

SPECIAL WORKSHOPS on mental health, housing, wellbeing and resiliency stories.
