

GENDER-BASED VIOLENCE STUDY

A study testing a new survey for Canadian adults who have experienced violence from an intimate partner of any gender.

You may be eligible if:

- You have experienced recent violence from an intimate partner within the past 12 months
- You are 18 years of age or older
- You have access to the internet and a safe computer, tablet or smartphone
- You have a mobile phone that can receive text messages

If so, we invite you to take part in an online survey looking at the scope and impact of intimate partner violence on Canadian adults of all genders (women, men, and people who identify their gender in other ways).

Eligible participants will be asked to complete a brief (15-20 minute), anonymous, online survey.

In appreciation for your time, you can choose to receive an electronic gift card.
